## **Disney Channel Games Sonny Chance Scavenger Hunt**

Decorated rocks are hidden throughout a community and found by strangers to bring a little joy to their day.. When you are out and about, have you ever noticed a random painted rock laying somewhere? Well it's actually not as random as you might think.. A new treasure-hunt trend has been moving across the country It's being called by many names "Painted Rock Game", "Painted Rock Project", "Painted Rock Movement" but the premise is the same.. There are thousands of groups with thousands of members all over the country that are getting in on the fun.
